

YOUR SKIN IS IN

IMPACT MELANOMA

Improving Melanoma
Prevention, through Awareness,
Care & Teaching

IMPACT Melanoma provides education, prevention, and support for the most serious form of skin cancer. We are a national non-profit organization dedicated to working to reduce the incidence of skin cancer, including melanoma, the deadliest form. Committed to skin cancer prevention and early detection, we provide a variety of award-winning programs which aim to raise awareness and educate the public about skin cancer, as well as support services for those struggling with the disease.

TIPS FOR STAYING SAFE IN THE SUN

- Use SPF 30 sunscreen with UVA/UVB protection
- Reapply every 2 hours
- Seek shade
- Wear a hat and sunglasses with UV protection

Skin cancer education for
teens and young adults

your skin is in

IMPACT MELANOMA

Your Skin Is In is a FREE educational program teaching teens and young adults about the risks of melanoma and how to protect their skin.

OUR eLEARNING COURSE INCLUDES:

- Interactive trivia game
- Video scenarios
- Photos showing what UV damage looks like

EARLY DETECTION SAVES LIVES!

- Melanoma is the 2nd most common form of cancer for teens and young adults ages 15-29.
- It's preventable with education.
- When caught early it is 99% curable.

Free and easy to use for teachers and students.

TEACHERS

Middle school, high school and college educators can use the Your Skin Is In eLearning curriculum to make an IMPACT in the classroom and an opportunity to win a stipend! Complete with a teachers' guide, student quiz, and discussion notes, this on-line 40 minute course is easy to use and has all the tools you need.

STUDENTS

Middle school, high school and college students can register to become a Your Skin Is In Ambassador at their school, create awareness, educate their peers about skin cancer risks, and apply for a chance to win a scholarship up to a \$1,000! College students who get their school designated as a Skin Smart Campus, by adopting policies for skin cancer prevention and indoor-tanning awareness, may also win a sunscreen dispenser for their school.
