GOLF

TOURNAMENT & AUCTION

YOUR CHOICE OF TWO SPECTACULAR COURSES!

Black Rock Country Club

Boston Golf Club

BLACK ROCK
COUNTRY CLUB

Players will experience three different golf experiences – typical New England holes with woods & wetlands, link style holes with rolling hills & mounds, & a quarry layout on four holes with high granite walls along fairways and greens.

In every sense, Boston Golf Club* is a true golfer's paradise and walker's only delight. Architect Gil Hanse has done an exceptional job marrying the past with the present, and this vision is evident in every shot you take at Boston Golf Club.

**NOTE: Boston Golf Club is a walking course and all golfers must be comfortable walking 18 holes. Caddies are included in your sponsorship.*

SCHEDULE OF THE DAY

10:00am | Registration & Practice Facilities Open
12:00pm | Shotgun Start with Lunch on the Course
5:00pm + | Dinner, Open Bar, Dessert, Auction & More

A variety of delicious food and drinks will be served at various holes throughout the course and at the Cocktail Reception. Participate in our auction, contests, raffles and much more!

Due to COVID-19 and changing regulations, play times may change. We will be in touch with a final schedule as the tournament gets closer.

Why is IMPACT Melanoma's mission to bring awareness, early detection, prevention & providing support to those diagnosed, so important?

One person dies of melanoma every hour, every day.

Melanoma is the most common cancer in young adults ages 25 to 29 and the 2nd most common cancer for teens and young adults ages 15-29.

Using a tanning bed before the age of 35, even once, increases your risk of melanoma by 75%.

Melanoma is 99% curable when caught early.

Our support groups reduce the feelings that often accompany a melanoma diagnosis by providing opportunities to talk to others dealing with the same challenges.

Your support, partnership and sponsorship is essential in allowing us to expand the scope of our programs to reach more people and save more lives. Together, we can make an IMPACT today and create a healthier tomorrow.

About Us

IMPACT Melanoma, a national non-profit 501(c)(3) organization, provides education, prevention, and support for the most serious form of skin cancer. We are wholly dedicated to reducing the incidence of melanoma through a variety of award-winning prevention and early detection programs and providing support to patients and families who are struggling with the disease.

A Board of Directors and Medical Advisory Board comprised of business people, healthcare professionals, and leading melanoma specialists provide guidance to IMPACT. Our fundraising events provide funding for education and support programs aimed at prevention, early detection, and support services.
