A RULE TO LIVE BY

1. Get a full skin exam yearly if you are over 18.
2. Avoid sunburns, tans, and tanning beds.
3. Wear sun protective clothing, a hat with a brim, and sunglasses.
4. Use plenty of sunscreen (at least SPF 30) and reapply often on exposed skin.
5. See your doctor if a moles meet any of the ABCDE's or change.
